Important: How to Set Up Your New Video Intercom

Dear Tenants,

To start using your new Video Intercom, follow the steps below. You will receive an email containing your password to access the system.

Step 1: Download the Akuvox SmartPlus App

- For iPhone (iOS): Go to the App Store, search for Akuvox SmartPlus, and tap Download.
- For Android: Go to the Google Play Store, search for Akuvox SmartPlus, and tap Install.

Step 2: Check Your Email

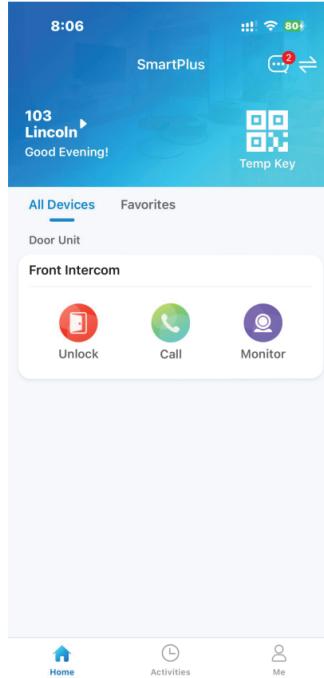

- You should receive an email from Akuvox with your password.
- This email is crucial for logging in to your intercom system.

Dear subhan vohra,
Your **Akuvox** Cloud account has been successfully created. Follow these steps to get started with us!
Step1. Download SmartPlus app from Google Play or Apple App Store.
Android: Apple iOS:
Step2. Open SmartPlus app, enter the login credentials or scan the QR code to sign in.
User Name: [REDACTED]
Password: snWOc6ca
Area: North America

If the QR code cannot be displayed, please click [here](#).
Best regards,
The **AKUVOX** Team

(This is an automatically generated email. Please do not reply to it.)

Step 3: Log in to the Akuvox App

- Open the Akuvox SmartPlus app on your phone.
- Enter the email address you provided.
- Enter the password from the email.
- Select End User, then tap Login.

Step 4: Explore the Main Features

Once logged in, you will see two key options:

- **Unlock:** Use this to remotely unlock the front door.
- **Call:** Press this to make a video call to the intercom.

You will also see a Temp Key option at the top right, allowing you to generate temporary keys for deliveries. You can add temporary code to your delivery instructions.

Delivery Temp Key Info

Key: 97809852

Share instructions to delivery:

Press the "Tempkey" button on the Akuvox Doorphone and enter the Key 97809852.

This Delivery Temp Key is one-time use and will expire on 2024-11-23.

Step 5: Additional Features

At the bottom of the app, you will see three options:

- Home
- Activities
- Me

Click on Me and navigate to Help & Feedback, where you'll find video guides on how to use the app. The video tutorials include:

- How to add family members.
- How to use Bluetooth and NFC.
- How to generate temporary keys for deliveries.
- How to receive calls and manage contact preferences.
